Introduction

MVM CEEnergy Zrt. headquarters in Budapest

- MVM CEEnergy Croatia d.o.o. is a subsidiary of MVM CEEnergy Zrt. and member of the MVM Group
- MVM Group is the 2nd largest company in Hungary, and the 2nd in Central Europe. It is a dynamic, innovative, fully state owned company group continually gaining market share on a regional level, acting as the largest domestic energy knowledge centre, and through its professional competences offering significant contribution to the security of supply in Hungary and Central-Eastern Europe
- MVM CEEnergy Croatia d.o.o. was founded on February 25th, 2020 as MFGK Croatia d.o.o.
- The company was renamed to MVM CEEnergy Croatia d.o.o. on September 1st, 2021

- The main goal of establishing the company was to expand the presence of MVM Group on the market in the region in order to achieve synergistic effects in regional trade, and to act as a user at the LNG terminal on the island of Krk
- The aforementioned was achieved by becoming the largest capacity holder for LNG regasification and supplying MVM CEEnergy's portfolio from the global LNG market and by entering the upper segment of the retail market
- MVM CEEnergy Croatia d.o.o. is the largest user of the LNG Terminal on the Krk island, with 2023 annual delivery of approx. 10,000,000 MWh (approx. 1 bcm) of natural gas (36 cargos delivered so far from USA, Qatar, Nigeria, Trinidad and Tobago, Indonesia and Egypt)
- We import natural gas through the Hungary-Croatia interconnector and the Slovenia-Croatia interconnector, ensuring diversification of the supply sources
- MVM CEEnergy Croatia d.o.o. is a capacity holder of the Croatian underground gas storage PSP Okoli d.o.o.

Taking into consideration above mentioned, MVM CEEnergy Croatia d.o.o. is
